SUMMER HOLIDAY HOMEWORK 2021-2022

CLASS-V

 Summer Brings Us... 

Summer brings us days on a beach,  
Wearing flip flops,  
And sand between your toes

 Long, long days, filled with sun   
And sunscreen on your nose

Splashing in pools, friends all around  
Wearing bathing clothes

Trees full of leaves, the humming of bees  
Vacation cars on roads

 Days of heat, nights so warm   
Riding down a river that flows

Summer brings us watermelon seeds,  
Ice cream drips,  
And watching how the sunset glows.

Holidays are time when you can connect with your child in many ways. As parents are the first and most important teacher for a child, you can encourage your child to participate in many educational activities at home and promote your child's quest to learn. Working together will not only help your child to build, learn, and develop skills but also strengthen your bond with your child.

Note:

1. Learn all the work done in all subjects from books and notebooks.
2. Do each subject homework on A4 sheets, staple them subject wise, and bring in a decorative folder.

# ENGLISH
